

### CAR & TRUCK WASH

Category: AUTOMOTIVE

Code: 965

## BIODEGRADABLE

#### SPECIFICATIONS

Car & Truck Wash is a biodegradable solvent free detergent capable of cleaning the most heavily soiled trucks and cars without damaging or streaking the paintwork.

Car & Truck Wash is designed to clean vehicles and equipment used in various industries such as interstate haulage, mining logging, quarrying etc where hard to move substances can be a problem.

Car & Truck Wash is pH neutral, Phosphate and Salt free

#### APPLICATIONS

Apply using spray mist and/or sponge.

Car & Truck Wash can be applied by spraying or foaming onto the surface, and then left soaking for up to 10 minutes.

Finish off by hosing down with fresh water.

Where the surfaces have not been cleaned on a regular basis and are heavily "etched" with dirt, a second wash may be required.

NOTE: Due to continual product research and development, the information contained herein is subject to formulation change without notice.
